WELCOME TO NEKO

ようこそ、ねこへ。

Asian flavours. Irish timber. A Carlow story.

The table is part of the welcome.

At Neko, Asian flavours meet the warmth of Carlow. Our founder, Simon Lim, built the solid-wood tables by hand; each has its own grain and character.

Japanese cast-iron teapots and Villeroy & Boch tableware bring care to every setting. Music through our Sonus faber sound system adds a gentle backdrop to the table.

Outside, an old yew anchors this place in Carlow. Inside, a cherry blossom tree and handmade tables invite you to slow down and share the table.
